

Ways to Leave Your Legacy

Careful planning with your family and professional advisor will ensure that your family and the charities that you are passionate about will continue to benefit from your generosity long after you are gone. There are several ways you can leave your legacy to VisionCorps. You can include a gift in your will or make us a beneficiary of your retirement plan, IRA or insurance policy.

Below are just a few examples of specific ways to support VisionCorps:

Sample Bequest Language

I give _____ (*dollar amount, percentage, the rest, residue, remainder of my estate*) to VisionCorps (#23-1352349) headquartered at 244 North Queen Street, Lancaster, Pennsylvania 17603, which shall be used as directed and further detailed in a **Statement of Intent** on file with VisionCorps.

Beneficiary Designations

Beneficiary designations can be changed at any time to meet your changing needs. Take time to review your beneficiaries to ensure they are up to date. Experts suggest reviewing them every two or three years.

There can be tax implications on gifts to family members so we recommend you consult with your professional advisor. To discuss how you can leave your legacy with VisionCorps, please contact Angela Lauer, Senior Philanthropy Officer, at 717.925.7101.

VisionCorps, is a qualified charitable 501(c)3 organization and is proud to be recognized as a four star charity by Charity Navigator for demonstrating strong financial health and commitment to accountability and transparency.
