The golf tournament, one of VisionCorps’ fundraisers since 2013 was established by Lisa Shirk, a former VisionCorps Foundation Trustee, in memory of her husband, Ray Shirk.

Ray Shirk was a successful businessman, entrepreneur and visionary. He was the founder and CEO of the Securus Group, a multi-faceted insurance firm that earned the honor of Best Places to Work in PA. in 2008 and 2011. His ability to lead is evident in the company he grew, and the many relationships he built with friends and clients who knew him as a trusted advisor, says Lisa Shirk.

Ray Shirk’s greatest joy and fulfillment was in spending time with his family, and both Ray and Lisa Shirk were very grateful for the help their grandson received from VisionCorps. They appreciated VisionCorps’ service over the years to their grandson.

To honor Ray Shirk’s memory, his love of golf and the local organizations he cared about, she started Ray Shirk’s Big Swing Tournament. It is now an annual event.

"VisionCorps is a light in the darkness for people with limited, impaired, or no sight," says Lisa Shirk. "It lights the way to live on a daily basis."

Ray Shirk's Big Swing 2021 Tournament will benefit: VisionCorps, the Lancaster Science Factory, and the Joshua Montpetit Foundation.
