Thank you for your support!

Beneficiaries of Tournament Proceeds:

VisionCorps is the only non-profit in its service area to provide comprehensive services to empower individuals with vision loss to attain independence. Residents with low vision in Adams, Chester, Lancaster, Lebanon, and York counties can depend on VisionCorps to teach the skills and provide the tools to maintain their quality of life. Prevention services are also provided with nearly 10,000 preschool aged children receiving vision screenings annually. Employment opportunities are available for individuals who are blind in manufacturing, food packaging and administrative fields. Services are provided at no cost to clients thanks to financial support from the community. Learn more by visiting www.visioncorps.net

The Lancaster Science Factory's mission is to inspire curiosity, creativity, and confidence by fostering an inclusive environment for hands-on STEM (science, technology, engineering, and math) exploration. We actively seek to make our facility and educational programs accessible to all. Our target audience is children in grades pre-K through 8th grade. Our science center features more than 75 hands-on exhibits that allow children to explore scientific concepts through open-ended exploration. We also host summer science camps, a coding club for girls, a free pre-K program, and a wide assortment of workshops, programs, and camps in our Maker Space and

STEM Classroom, as well as providing offsite programming at local schools and youth-serving non-profits. Learn more at www.lancastersciencefactory.org

The Joshua Montpetit Foundation

The Joshua Montpetit Foundation was established on October 24, 2001, the day that changed my life and the life of my family forever. My son, Josh died on the basketball court due to complications from a congenital heart defect while serving as Warwick High School Assistant Basketball Coach. We wanted to keep his memory alive and established the Foundation in his name. Each year we award scholarship monies to Warwick High School Seniors who have endured physical, emotional or learning challenges. Since 2001 we have awarded over \$50,000 to over 40 students. -Lisa Shirk
