### Glaucoma Speaker Set for Dec. 3

**(Lancaster, Penna.) Nov. 22, 2024** – The [VisionCorps](http://visioncorps.net) Presents speaker series will look at glaucoma next month. Dr. Drew Chronister, an ophthalmologist with Family Eye Group in Lancaster and a physician on staff at Wills Eye Hospital, is the guest speaker.

Glaucoma is a progressive disease that damages the optic nerve in the eye, resulting from a buildup of fluids that increases the pressure in the eye.

“Glaucoma: a no-pressure discussion about the pressure in your eyes,” is a virtual presentation on Tuesday, Dec. 3, at 1:30 p.m. The online presentation link or a phone number to call in to listen is available by contacting Katarina Eller at [keller@visioncorps.net](mailto:keller@visioncorps.net) or 717-205-4140.

The free speech is open to the public.

Chronister is on staff at Wills Eye Hospital where he teaches residents and trains the next generation of cataract surgeons.

He was one of the first eye surgeons in Chester County to perform femtosecond laser-assisted cataract surgery and he offers state-of-the-art customized cataract surgery and intraocular lens options. His other clinical interests include the treatment of glaucoma, diabetic eye disease, the treatment of macular degeneration, uveitis, and dry eye. Chronister currently serves on the board of directors at Vision One Laser & Surgery Center and provides educational seminars throughout the state on various eye care related topics.

Chronister is a native of York, PA, and currently resides in Chester County with his wife and four children.
